

BHI-2016 International Conference on Biomedical and Health Informatics
“Integrative informatics for precision and preventive medicine”

Las Vegas 24th-27th Feb 2016

You are cordially invited to join us at the 3rd International Conference on Biomedical and Health Informatics, BHI'16. This prestigious event will be held 24-27 February 2016 at the Westin Las Vegas Hotel, Casino & Spa, Las Vegas, Nevada.

The IEEE International Conference on Biomedical and Health Informatics (BHI) is a special topic conference of **IEEE Engineering in Medicine and Biology Society (IEEE-EMBS)**. **BHI2016** is co-located with the Annual HIMSS Conference & Exhibition in Las Vegas, NV, USA. The main theme of the BHI2016 is the **“Integrative informatics for precision and preventive medicine.”** Advancing health informatics has been identified as a grand challenge for engineering in the 21st century by the National Academy of Engineering. Maintaining and improving human health will require integrative and novel informatics solutions to better translate discovery into clinics, re-engineer care practices, and integrate big data of various health networks. The conference program will consist of high-profile plenary/keynote lectures, symposia, workshops, invited sessions, oral and poster sessions, and exhibitions. All papers will be peer reviewed; accepted full-length (4 page) papers will appear in the Conference Proceedings and be indexed by IEEE Xplore.

Please note that this invitation for participation does not, in any way, financially oblige either BHI'16 or the IEEE Engineering in Medicine and Biology Society (EMBS) for the expenses you incur for travel and conference attendance, and all conference participants are expected to pay the registration fees according to conference policy. You will have access to a more customized Invitation letter (to include your name and paper information) once your paper has been accepted.

Please visit <http://bhi.embs.org/2016/> to learn more. We look forward to your participation in BHI'16!

Sincerely,

Stephen Wong
