7:30am-8:15am	Registration/Poster Up				Registration				Registration				
8:15am-8:30am	Welcome												
8:30am-9:05am	Keynote-01:Image Informatics:Arthur Toga Ballroom-D (First Floor)				Keynote-03:Bioinformatics and Systems Biology: Dan Gallahan Ballroom-D (First Floor)				Keynote-05: Health Informatics: Carla Smith Ballroom-D (First Floor)				
9:05am-9:55am	Poster Rapid Fire-01 (25) Ballroom-D (First Floor)				Poster Rapid Fire-03 (25) Ballroom-D (First Floor)				Poster Rapid Fire-05 (25) Ballroom-D (First Floor)				
9:55am-10:10am	Coffee Break (Coffee on The First Floor, Sessions on The Second Floor)				Coffee Break (Coffee on The First Floor, Sessions on The Second Floor)				Coffee Break (Coffee on The First Floor, Sessions on The Second Floor)				
10:10am-11:30am (10-minute presentation each, plus 20-minute panel)	Session Thu1.1: Bioinformatics	Special Session Thu2.1: IoT Ecosystems and Smart Living Environments for Ageing Well	IEEE Communication Society-Sponsored: Advancement of IoT and impact on the future of Healthcare and Wellness (Celia Desmond, Fawzi Behmann)		Session Fr1.1:Sensor Informatics (Activity/Motion)	Special Session Fr2.1: Big Data Analytics & p-Health Solutions	Progress in Global Health Informatics: Research and Applications (Elliot Sloane, Tom Judd)		Session Sat1.1: General and Theoretical Informatics (Machine Learning Methods)	Session Sat1.2: Brain / Head Informatics	HIMSS Leadership Forum (Elliot Sloane, Tom Judd)		
11:30am-12:05pm	Go Buy Lunch			Go Buy Lunch	Go Buy Lunch				Meeting with Funding Agencies (Steve Wong) Ballroom-D (First Floor)				
12:05pm-12:45pm (Plenary Session)	General Assembly "How to Join The Exciting Journey of EMBS-BHI" (May D. Wang) Ballroom-D (First Floor)				Meeting with Editors-in-Chief (Andrew Laine) Ballroom-D (First Floor)				NOTE: Lunch Offered by EMBS-BHI in Meeting Room				
12:50pm-13:25pm	Keynote-02: Sensor Informatics:Matt Pipke Ballroom-D (First Floor)				Keynote-04: Smart and Connect Health: Wendy Nilsen Ballroom-D (First Floor)				Keynote-06: Clinical EMR: Ed Livingston Ballroom-D (First Floor)				
13:25pm-14:15pm	Poster Rapid Fire-02 (25) Ballroom-D (First Floor)				Poster Rapid Fire-04 (25) Ballroom-D (First Floor)				Poster Rapid Fire-06 (21) Ballroom-D (First Floor)				
14:15pm-14:30pm	Coffee Break (Coffee on The First Floor, Sessions on The Second Floor)				Coffee Break (Coffee on The First Floor, Sessions on The Second Floor)				Coffee Break (Coffee on The First Floor, Sessions on The Second Floor)				
14:30pm-15:50pm (10-minute presentation each, plus 20-minute panel)	Session Thu1.2: Health Informatics (Public/Lifestyle)	Special Session Thu2.2: Computational methods for predictive medicine	Roche-Sponsored: Computational Histopathology: Tissue Slides to Personalized Medicine (Bahram Parvin*, Chukka Srinivas)		Session Fr1.2: Sensor Informatics (Monitoring/Architecture)	Special Session Fr2.2: Smart Algorithms for Health Informatics (4+2 papers)	IEEE Big Data Panel (Kathy Grise)		EC-Sponsored DISCOVERY Workshop: Health and Data Analytics (Yolanda Ursa, Maria Fernanda Cabrera, Camille Sailer)	Translational Informatics, Entrepreneurship, Career Planning (Metin Akay)	IBM-Sponsored: Implementing An IBM Watson Instance for University Research and Education (Elliot B. Sloane, Matthias Reumann)		
15:50pm-16pm	Coffee Break (Coffee on The First Floor, Sessions on The Second Floor)			Coffee Break (Coffee on The First Floor, Sessions on The Second Floor)	Coffee Break (Coffee on The First Floor, Sessions on The Second Floor)					EC-Sponsored DISCOVERY Workshop: Health and Data Analytics (Yolanda Ursa, Maria Fernanda Cabrera, Camille Sailer)		Coffee Break	
16:00pm-17:20pm (10-minute presentation each, plus 20-minute panel)	Session Thu1.3: Imaging Informatics	Special Session Thu2.3: New generation Personal Health Systems (PHS) for smart connected health			Session Fr1.3: Health Informatics (Disease Management)	Special Session Fr2.3: Achieving Precision Patient Care via Big Data-Empowered Electronic Medical Records, Devices and Health Systems	IEEE Big Data Competition Presentation (Kathy Grise)			Tutorial: Deep Data Analysis with Machine Learning and Process Modelling Techniques (Edward Kim*, Vijay Gehlot)			
17:20pm-17:30pm	Transition			Transition				Women in BHI (Starting at 5pm) 5:00pm-6:00pm	Transition				
17:30pm-18:00pm	Poster Viewing with Finger Food & Voting Ballroom-A			Poster Viewing with Finger Food & Voting Ballroom-A				Best Poster Selection Committee (Closed)	Poster Viewing with Finger Food & Voting Ballroom-A		Best Poster Selection Committee (Closed)		
18:00pm-18:30pm			Best Paper Selection Committee (Closed)					Best Paper Selection Committee (Closed)					
18:30pm-18:55pm	Poster Viewing with Finger Food & Voting Ballroom-A		Best Paper Selection Committee (Closed)	Poster Viewing with Finger Food & Voting Ballroom-A				Best Paper Selection Committee (Closed)	Poster Viewing with Finger Food & Voting Ballroom-A		Best Paper Selection Committee (Closed)		
18:55pm-19:30pm	Transition				Transition				Best Paper, Best Poster, and IEEE-BDI Data Competition Award Ceremony Ballroom-D (First Floor)				
19:30pm-21:00pm	WELCOME RECEPTION				BHI-OC Appreciation Dinner				Conference Concludes
