

44th Annual International Conference of
**the IEEE Engineering in
Medicine and Biology Society**

11-15 July 2022  Glasgow, Scotland, UK

You are cordially invited to attend the 44th IEEE Annual International Conference of the IEEE Engineering in Medicine and Biology Society, EMBC'22. This prestigious event is the world's largest annual Biomedical Engineering forum and will be held 11-15 July 2022 in Glasgow, United Kingdom at the Scottish Event Center.

This conference is themed, **“Biomedical Engineering transforming the provision of healthcare: promoting wellness through personalized & predictable provision at the point of care”**.

The scientific tracks will cover the standard topics of the EMBS technical committees with an additional topic, consistent with the conference theme. Alongside the scientific sessions, there will be an exhibition comprising biomedical engineering companies, publishers, SMEs, start-ups, funded biomedical research, and Biomedical Engineering programs, Institutes, and Universities. The conference will provide networking opportunities for engineers, clinicians, scientists, and entrepreneurs, as well as for students and young professionals. The conference program consists of keynotes, mini-symposia, workshops, special sessions, oral and e-poster sessions, sessions for students and young professionals, and clinicians and entrepreneurs. Glasgow and Scotland, within which it sits, have been the center of innovation for scientific, medical, and technical research for centuries.

All papers contributed to the conference will be peer reviewed by the EMBS Conference Editorial Boards, and accepted full-contributed papers, which meet the IEEE format requirements, will appear in the Conference Proceedings, and indexed by IEEE and PubMed Medline.

Please note that this invitation for participation does not, in any way financially oblige either EMBC'22 or the IEEE Engineering in Medicine and Biology Society (EMBS) for the expenses one incurs for travel and conference admission.

Please visit <https://embc.embs.org/2022/> for more information.

We look forward to welcoming you!

Sincerely,

Professor Christopher James, University of Warwick

EMBC 2022 General Chair
